

# Saher Javid

Content Creator + Influencer

## About Me

I'm a social media content creator, influencer, and blogger, who has interests in travel, and eastern/western fashion.

I enjoy traveling in my free time and I'm always brainstorming how to create new content to connect with my audience. Connecting with people is my passion.

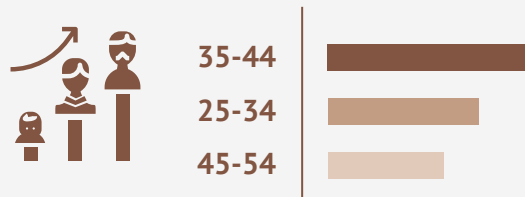

My overall goal is to inspire anyone to get out experience what the world has to offer and to make memories last a lifetime.
